HOOK 2

Everyone tells you that to fill your care home, you need to run generic ads, post on social media, or rely on word of mouth and referrals.

But what if you could get **20 to 30 qualified families booked onto your calendar in 30 days**, without chasing inconsistent enquiries or depending on outdated marketing strategies that don't move the needle?

HOOK 3

There's a new system called the **Resident Acquisition System** that's helping care home operators fill their beds fast, and every single one of them was struggling with inconsistent family enquiries when they started.

In fact, we're so confident in our system that we will guarantee you **20 to 30 qualified appointments within 30 days** of working with us, or you don't pay our management fee.

HOOK 4

While other care home owners are still relying on referrals and generic agency campaigns with nothing to show for it, there's a small group of operators using a done-for-you system to get **20 to 30 qualified families booked in every single month.**

Which is exactly why we'll guarantee you **20 to 30 qualified resident appointments within 30 days**, or you don't pay our management fee.

HOOK 5

What would **20 to 30 qualified families touring your care home in the next 30 days** do for your occupancy? Because that's exactly what our Resident Acquisition System delivers, completely done for you, while you focus on running your facility.

BODY
